

SRIPATH TECHNOLOGIES®, LLC Health & Safety Policy Statement

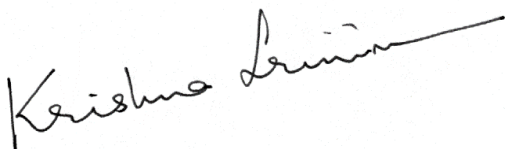

Sripath Technologies® is committed to meeting the bitumen additive needs of the paving & roofing industries, providing customers with sustainable, environmentally friendly, cost-effective, and durable solutions.

Sripath® is deeply committed to maximizing safety in three key areas:

- 1) Engineering our products to be as safe as possible for our customers to use.
- 2) Safe for our production plants to manufacture and transport.
- 3) Engineering products that are sustainable and safe for the environment.

All Sripath® products are designed with the above three safety aspects in mind.

Sripath's Leadership Team is committed to an effective health & safety program. Management regularly reviews feedback and data to monitor the effectiveness of Sripath's safety program. Continuous improvement in all aspects of safety is pursued.
